

Hollister School District

Welcome to the 2017-2018 school year!

Dear Parents/Guardians and Students,

On behalf of The Hollister School District Board of Trustees, staff, and myself, I welcome you to the 2017-2018 school year!

As part of the ongoing communication between us and your family, we have created this booklet containing important information about district policies and procedures. Keep the booklet to use as a reference throughout the year, but please sign and return the acknowledgement insert to your child's teacher as soon as possible. If you have any questions about the booklet, feel free to contact your child's teacher or principal for clarification.

The staff of Hollister School District is committed to creating an extraordinary learning environment that ensures all Hollister School District students are high achievers. Toward this end, the Hollister School District Board of Trustees has adopted the Local Control and Accountability Plan (LCAP) which reflects our collaborative efforts to reach this goal. Some of the specific activities include:

- Implementation of the California Common Core Standards for English language arts, mathematics, and English language development and the Next Generation Science Standards
- Training, coaching, and time for staff to collaborate and learn new instructional strategies
- Implementation of positive school climate and culture strategies
- Staff and student access to technology to learn new skills and concepts and create projects and presentations
- Opportunities for students to participate in enrichment activities such as visual and performing arts and STEM (science, technology, engineering, and mathematics)
- Family engagement events
- Maintenance and modernization of school facilities

We encourage and invite you to become familiar with the programs and plans available to the staff and students at your child's school. These are available on our District website, www.hesd.org

It takes all of us, working together, to ensure all students are high achievers. We look forward to partnering with each family and encourage you to become active within your child's school. At home, we ask that you monitor the work your child brings home, provide a space for them to complete assignments, and read to or with your child every day. Please be sure your child is well-prepared for school with adequate sleep and proper nutrition. As always do not hesitate to contact your child's teacher with any questions, concerns, or information that you feel will aid in the success of your child at school.

Again, welcome to the 2017-2018 school year. We wish you and all of our students an extraordinary school year.

Sincerely,

Lisa Andrew, Ed.D
Superintendent

**Please review the material in this booklet.
Then SIGN and RETURN the acknowledgement insert.**

Dear Parents/Guardians/Students:

Each spring, most students in California participate in the statewide testing program, which is now the California Assessment of Student Performance and Progress (CAASPP) System. The tests in the CAASPP System provide information to teachers, parents/guardians, and students about students' progress and readiness for college and career. In grades three through eight and grade eleven, most students take the Smarter Balanced online tests for English language arts/literacy (ELA) and mathematics. However, students who have a significant cognitive disability (as designated in their individualized education program) are eligible to take the California Alternate Assessments (CAAs). In grades five, eight, and ten, students are also tested in science. Some Spanish-speaking students also take the Standards-based Test in Spanish (STS).

Our testing window for students in **grades 3–8 is from late April through May**. In April, please watch for communication from your school Principal for information on the testing schedules for each site. We encourage all students to take the assessments, as the test results provide valuable information about your child for both you and the school. Also, please note that the high school may use these results as one determinant for placing students in advanced math courses. However, Section 60615 of the California Code of Regulations provides that parents or guardians may annually submit a written request to the school to excuse their child from any or all parts of the CAASPP for the school year. The written request must include the student's name, birth date, grade and the specific tests or content areas from which they are to be exempted. (English Language Arts, Mathematics, and/or Science).

To learn about the types of questions on the computer-based test, you and your child can view the practice test online at the California Department of Education (CDE) Smarter Balanced Practice Test Web page at www.cde.ca.gov/ta/tg/sa/practicetest.asp.

Following the testing, students will receive individual score reports. Student score reports will be sent home to parents and will include an overall score, a description of the student's achievement level for English Language Arts, Mathematics, Science if applicable, and other information.

If you would like more information, please visit the Parent/Student tab of the CDE CAASPP Web page at www.cde.ca.gov/ta/tg/ca/. If you have any questions regarding your school's participation, please contact the Principal.

Sincerely,

Assistant Superintendent of Educational Services

ENROLLMENT AND ATTENDANCE

📌 Attendance Options

The governing board annually reviews attendance options including how students may attend a district school outside their attendance area (intra-district transfer). This district has non-arbitrary rules explaining how students may apply, be accepted or denied intra-district transfer. Many districts, by agreement, also allow the transfer of students from or to other districts (inter-district transfer). Victims of bullying or violence are given preference in inter-district transfers. In some cases, the district must provide transportation. Students attending “persistently dangerous” schools can transfer and enroll in a safe school. Districts cannot prevent children of active military from changing districts, as long as the district chosen agrees to accept them. Upon enrollment or transfer, principals are urged to check missing children information. Further information about residency, attendance options, special program options, etc. will be provided by the California Department of Education. [EC 46600, 48204, 48206.3, 48300, 48301, 48306, 48980, 49068, 51101; 20 USC 7912]

1. Interdistrict Attendance

The Governing Board recognizes that parents/guardians of students who reside in one district may, for a variety of reasons, choose to enroll their child in a school in another district.

The Governing Board may enter into an agreement with any other school district(s) for the interdistrict attendance of pupils who are residents of the districts. The Board authorizes the Superintendent or designee to prepare an Interdistrict Memorandum of Understanding (‘Interdistrict MOU’) to be signed by the appropriate individual(s) in the receiving district(s) and the Superintendent or designee in the Hollister School District specifying its duration (the term may not exceed more than five years), and scope, the reasons for the granting, denial or revocation of the Interdistrict permit, as well as the standards for reapplication.

Interdistrict Attendance Permits

Upon request by a student’s parents/guardians, the Superintendent or designee may approve an incoming interdistrict transfer permit with another school district on a case- by- case basis subject to the terms and conditions of the Interdistrict MOU, or if there is no Interdistrict MOU, in accordance with this Board Policy/Administrative Regulation 5117 and applicable Education Code provisions. The Superintendent or designee may deny an incoming interdistrict transfer permit because of overcrowding, limited Hollister School District resources, where approval of such a permit would create a financial hardship for the District, or based upon other considerations that are not arbitrary.

Upon request by a student’s parents/guardians, the Superintendent or designee may approve an outgoing interdistrict transfer permit subject to the terms and conditions of the Interdistrict MOU, or if there is no Interdistrict MOU, in accordance with Board Policy/Administrative Regulation 5117 and applicable Education Code provisions. The Superintendent or designee may deny an outgoing interdistrict transfer permit if the Superintendent or designee determines that the approval of an outgoing transfer permit would create a financial hardship to the District or where approval of an outgoing transfer permit would cause the total net number of outgoing transfers to exceed 1% or 75 pupils (whichever amount is greater) of the average daily attendance (ADA) defines as P2 in the budget adopted by the Hollister Board of Trustees as of July 1 of the current fiscal year, whichever is greater, or based upon other considerations that are not arbitrary.

Victims of Bullying

At the request of a parent or guardian, priority consideration of an interdistrict transfer request under any existing interdistrict agreement shall be given to students who have been determined by personnel of either the district of residence or the Hollister School District to have been the victim of an act defined in Education Code 48900, subd. (r), related to specific acts of bullying. In the absence of an interdistrict agreement such a student shall be given additional consideration for the creation of an interdistrict attendance agreement.

As the parent of a student you have many rights and responsibilities. This booklet talks about many of those and laws, policies and statutes which cover them. We suggest you read it. We must get the signed form returned or your child may not be able to attend classes. This page talks about when your child is absent from school. Only in certain cases is it permissible for a student to miss school.

Teachers build your child’s education one day at a time, so every day is essential.

In elementary, middle, junior, and high school, moving ahead, or even graduation, can be put in jeopardy if too many days are missed. Work with the teacher when a child must miss school.

Get homework assignments and review work. There is only one chance to get a great education.

Transportation

The district shall not provide transportation beyond any school attendance area. Upon request, the Superintendent or designee may authorize transportation for interdistrict transfer students to and from designated bus stops within the attendance area if space is available, and to the extent the district otherwise provides transportation assistance to students.

School District of Choice

The Hollister School District has not elected to be a “School District of Choice” as that term is defined in Education Code section 48300 and 48301.

Limits on Student Transfers out of the District to a School District of Choice

The Superintendent or designee may limit the number of student transfers out of the Hollister School District to a “School District of Choice” based upon the percentages of average daily attendance specified in Education Code 48307.

In addition, transfers out of the Hollister School District to a “School District of Choice” may be limited during a fiscal year when the County Superintendent of Schools has given the Hollister School District a negative budget certification or when the County Superintendent has determined that the Hollister School District will not meet the state’s standards and criteria for fiscal stability in the subsequent year exclusively as a result of student transfers from the Hollister School District to a “School District of Choice.”

The Board may deny a transfer of a student out of the Hollister School District to a “School District of Choice” if the Board determines that the transfer would negatively impact a court-ordered or voluntary desegregation plan of the District.

A child of an active military duty parent/guardian shall not be prohibited from transferring out of the district to a school district of choice, if the other school district approves the application for transfer. [BP 5117 September 2015; EC 41020, 46600-46611, 48204, 48300-48316, 48350-48361, 48900, 48915, 48915.1, 48918, 48980, 52317]

2. Intradistrict Open Enrollment

The Governing Board desires to provide enrollment options that meet the diverse needs and interests of district students and parents/guardians, while also balancing enrollment in order to maximize the efficient use of district facilities. The Superintendent or designee shall establish procedures for the selection and transfer of students among district schools in accordance with law, Board policy and administrative regulation.

The parents/guardians of any student who resides within district boundaries may apply to enroll their child in any

district school, regardless of the location of residence within the district.

The Board shall annually review this policy.

Enrollment Priorities

No student currently residing within a school’s attendance area shall be displaced by another student transferring from outside the attendance area.

The Superintendent or designee shall grant priority to any district student to attend another district school, including a charter school, outside of his/her attendance area as follows:

1. Any student enrolled in a district school that has been identified on the state’s Open Enrollment List.
2. Any student enrolled in a district school receiving Title I funds that has been identified for program improvement (PI), corrective action, or restructuring.
3. Any student enrolled in a district school designated by the California Department of Education as “persistently dangerous.”
4. Any student who is a victim of a violent crime while on school grounds.
5. Upon a finding that special circumstances exist that might be harmful or dangerous to the student in the current attendance area. Special circumstances, include, but are not limited to, threats of bodily harm or threats to the emotional stability of the student. Any such student may transfer to a district school that is at capacity and otherwise closed to transfers. To grant priority under these circumstances, the Superintendent or designee must have received either:
 - a. A written statement from a representative of an appropriate state or local agency, such as a law enforcement official, social worker, or a properly licensed or registered professional, such as a psychiatrist, psychologist or marriage and family therapist
 - b. A court order, including a temporary restraining order and injunction
6. Any siblings of students already in attendance in that school.
7. Any student whose parent/guardian is assigned to that school as his/her primary place of employment.

Application and Selection Process

In order to ensure that priorities for enrollment in district schools are implemented in accordance with law, applications for intradistrict open enrollment shall be submitted between second week in February through April 15th of the school year preceding the school year for which the transfer is requested.

The Superintendent or designee shall calculate each school’s capacity in a non-arbitrary manner using student enrollment and available space.

Except for priorities listed above, the Superintendent or designee shall use a random, unbiased selection process to determine who shall be admitted whenever the school

receives admission requests that are in excess of the school's capacity.

Enrollment decisions shall not be based on a student's academic or athletic performance, except that existing entrance criteria for specialized schools or programs may be used provided that the criteria are uniformly applied to all applicants. Academic performance may be used to determine eligibility for, or placement in, programs for gifted and talented students.

Transportation

Except as required by 20 USC 6316 for transfers out of Title I PI schools, the district shall not be obligated to provide transportation for students who attend school outside their attendance area. [BP 5116.1 February 2012; EC 200, 35160.5, 35291, 35351, 46600-46611, 48200, 48204, 48300-48316, 48350-48361, 48980; 15 CCR 11992-11994; 20 USC 6316, 7912; 34 CFR 200.36, 200.37, 200.39, 200.42, 200.43, 200.44, 200.48]

3. Independent Study Program

As you are aware, the public schools in the State of California have instituted many reforms to improve the quality of education.

Several of these reforms are aimed at increasing the time that each child spends in school. In support of this effort, we are continuing our Independent Study Program in order to encourage regular school attendance and to reduce the number of unexcused absences.

The Independent Study Program provides school assignments designed to minimize the disruption to a student's instructional progress which can be caused by absence from school.

The Independent Study Program is beneficial to your child in three ways:

1. It ensures that learning will take place in a sequential order;
2. It increases communication between parents, schools, and students;
3. It ensures continuous progress for students throughout the year.

If your child is going to be absent, for five or more consecutive days, for reasons other than illness and you wish him/her to be placed on Independent Study, you need to notify your child's school by phone, note, or visit. Your child's teacher will then complete the "Master Agreement for Independent Study" which will be sent home. The student is asked to complete the assignments returned to the student teacher. Educational credit will be given for the assignments that have been completed.

Parents of seventh- and eighth-grade students will need to sign individual student agreements with each teacher of their child at least four days prior to their child leaving school.

We believe that this cooperative process enhances your child's educational program and demonstrates in a positive way that we place a high value on each school day.

Homeschooling Program

Hollister School District is providing a Home-School Program this year. If you are interested in learning more about this program, please contact Kim Garcia at (831) 630-6322.

4. Open enrollment

Due to the transition to the new California Assessment of Student Performance and Progress system, the open enrollment list for 2017-2018 cannot be calculated. The District had at least one school on the list of 1,000 low-achieving schools for the 2015-2016 school year. For information about transferring to a different school under this provision, please contact the District Office. [EC 48350-48361, 51101]

General Absences

Children cannot learn if they are not in school. Children learn early about being on time and not missing school. For students 6 to 18 years old, daily school attendance is compulsory. Daily school attendance improves student achievement. Teach your child to be on time and that school attendance is an important family value.

It is also important that you know the state only awards funding to school districts for actual attendance. The state no longer funds districts for the excused absences listed below. Always review the school calendar and plan activities and vacations during days off. No pupil whose attendance is excused shall have grades or academic credit lost if assignments and tests can be reasonably completed.

Other attendance reports, such as truancy, still rely on excused and unexcused absences. There are legal consequences if your child misses too much school. You must send a note and/or phone the school within 72 hours to clear any excusable absences. Parents/Guardians have the right to be notified on a timely basis if their child is absent from school without permission. Unexcused absences result in a recorded truancy.

1. Notwithstanding EC 48200, a pupil shall be excused from school when the absence is:
 - A. Due to his or her illness.
 - B. Due to quarantine under the direction of a county or city health officer.
 - C. For the purpose of having medical, dental, optometric, or chiropractic services rendered.
 - D. For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.

- E. For the purpose of jury duty in the manner provided for by law.
 - F. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
 - G. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
 - H. For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
 - I. For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
 - J. For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.
 - K. Participation in religious instruction or exercises in accordance with district policy.
2. A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit thereof. The teacher of any class from which a pupil is absent shall determine the tests and assignments, which shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
 3. For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
 4. Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
 5. "Immediate family," as used in this section, has the same meaning as that set forth in Section 45194, except that references therein to "employee" shall be deemed to be references to "pupil." [EC 48205, 51101]

Districts may allow students, with parental or guardian consent to be excused to participate in moral or religious exercises or instruction. [EC 46014]

● **Minimum Days/Pupil Free Staff Development Days**

If your child will be affected by minimum days or staff development days, we will give you at least one month's notice. The dates that were known at press time are printed in the calendar in this booklet. [EC 48980(c)]

● **Attendance Where Caregiver Resides**

If your child lives in the home of a caregiving adult, as defined by law, or a foster home your child may attend the school district in which that residence is located. Execution of an affidavit under penalty of perjury pursuant to the Family Code by the caregiving adult is required to determine that your child lives in the caregiver's home. [EC 48204(a), 48980(h); FC 6550-6552]

● **Attendance in District in Which Parent/Guardian is Employed**

The district may, but is not required to accept a transfer student whose parent/guardian resides outside the boundaries of the school district but is employed and lives with the student at the place of his/her employment within the boundaries of the school district for a minimum of three days during the school week; or a student whose parent/guardian physically works within the boundaries of the school district for a minimum of 10 hours during the school week. [EC 48204(7), 48980(i)]

● **Enrollment of Homeless or Foster Youth**

Foster, homeless, and juvenile court youth have special rights related to graduation and partial high school credits. They also have the right to an adult to help make educational decisions. More information can be found at the California Foster Youth Education Task Force, www.cde.ca.gov/ls/pf/fy/fosteryouthedrights.asp. Foster and homeless youth also have special rights associated with college, and certain considerations in school discipline. The District Uniform Complaint Procedure may be used to file a complaint. [EC 48645.3, 48645.5, 51225.1, 56055; 5 CCR 4622; WIC 361, 726]

● **Homeless Education Program**

The Hollister School District Homeless Education Program was designed to provide assistance to homeless students and their families in compliance with the McKinney-Vento Homeless Assistance Act. We work in collaboration with school personnel and community service agencies to maximize access to educational programs and facilitate the school enrollment process to ensure equal access to educational and meal programs as well as tutoring. Assistance with transportation, backpacks and school supplies is also available.

● **Individualized Instruction**

If your child has a temporary disability preventing him/her from attending regular classes, the district will

provide individual instruction when possible. [EC 48206.3, 48980(b)]

● Pupils in Hospitals Outside of School District

If, due to a temporary disability, your child is in a hospital or other residential health facility, which is located outside your school district, he/she may be eligible to attend the school district in which the hospital is located. [EC 48207] If this situation should arise, you should notify both the district where you reside and where the hospital is located so that individualized instruction, if possible, can be provided. [EC 48208]

● Truancy

The state defines three levels of truancy, each carrying more severe penalties for both the student and the parents or guardians. The three are truant, habitual truant, and chronic truant.

Truant: A student is truant after missing three days of school or three 30-minute periods without a valid excuse.

Chronic Truant: A chronically truant student has missed 10 percent or more school days in a school year.

Habitual Truant: If a student is truant three or more times in a school year and an effort is made to meet with parents, then the student is a habitual truant.

Interventions: Students who are habitually truant, miss a lot of school or are disorderly can be referred to a student attendance review board (SARB), a district attorney mediation program, or the county probation department. Through these programs, the student can be given guidance to meet special needs for improving attendance or improving school behavior. The goal is to intervene before a student enters the juvenile justice system or drops out.

Student Penalties: First truancy may result in a one-day weekend class. Second truancy may be a written warning from a peace officer that remains in the student's records. Third truancy may result in assignment to an after-school or weekend program, a SARB, a probation officer, or district attorney program. A fourth truancy may result in a chance to improve attendance, but may also result in the student being placed within the jurisdiction of, and as a ward of the juvenile court. Other actions may include required community service, payment of a fine of \$100, attend a truancy mediation program, and loss of driving privileges. A finding of truancy may be handled through available community services.

Parent Penalties: In Education Code; first conviction – up to \$100 fine; second conviction – up to \$200 fine; third – up to \$500 fine. In Penal Code; parents of elementary students who are chronic truants face a fine up to \$2,000; imprisonment up to one year; or both. They may also be scheduled to meet regularly with district staff and/or referred for help. It is recommended that the parent or guardian attend classes at school with the student for one day. [EC 48260, 48260.5, 48261, 48262, 48263, 48263.5, 48263.6,

48264.5, 48291, 48293, 48320; PC 270.1, 830.1; WIC 256, 258, 601, 601.3; VC 13202.7]

● Notice of Alternative Schools

California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to: (a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy. (b) Recognize that the best learning takes place when the student learns because of his desire to learn. (c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his own time to follow his own interests. These interests may be conceived by him totally and independently or may result in whole or in part from a presentation by his teachers of choices of learning projects. (d) Maximize the opportunity for teachers, parents and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process. (e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including, but not limited to, the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district. [EC 58501]

INSTRUCTION AND CURRICULUM

● District Courses

Annually the District prepares curriculum, course titles, aims, and descriptions in a prospectus. The prospectus is available at each school site and may be reproduced at cost. Parents/Guardians have the right to review all course material. [EC 49091.14, 51101; PPRA]

● Academic and non-academic courses, classes, electives, activities, sports, and related facilities

State and federal policies require academic and nonacademic courses, classes, electives, school-related activities, team sports, athletic competitions, and school facilities be available to all students without regard to their gender or gender identity, and irrespective of the gender listed in their records. Staff will not counsel students into programs, courses, or careers based on their gender or gender identity. [EC 221.5, 221.8, 49600; GC 11135,

11138; Title VI, Title IX; § 504; California Interscholastic Federation (CIF) 300D]

● California State Academic Standards

California along with most other States developed and adopted common academic standards in core curriculum areas. They are rigorous, internationally benchmarked, and research- and evidence-based.

Each state, and each district in California decides how they will teach and what resources they will use. More information can be found at www.cde.ca.gov/re/cc/ or www.corestandards.org. California launched a new computer-based student testing system that ties to the standards for English language arts, mathematics, and science called the California Assessment of Student Performance and Progress (CAASPP). This new system replaces the Standardized Testing and Reporting (STAR) Program that was based on 1997 standards. Parents can opt their child(ren) out of CAASPP testing by submitting a written letter. More information about the CAASPP can be found at www.cde.ca.gov/ta/tg/ca/. [EC 60119, 60604.5, 60615]

● LCFF and LCAP

The LCFF (Local Control Funding Formula) changes the way the State provides money to school districts. Under this new system, school districts receive a uniform base grant for every student, adjusted by grade level. Plus they receive adjustments for the number of students living in poverty, English learners, and foster youth. Then there are further adjustments for concentration of these groups if they are above 55% of the district's enrollment. More information about the LCFF is available at www.cde.ca.gov/fg/aa/lc/.

The LCAP (Local Control Accountability Plan) is a critical part of the LCFF. Each school district is required to engage parents, students, educators, employees, and the community to establish their plan. Anyone can comment to the school board regarding LCAP proposals or expenditures either by submitting comments in writing or at a public hearing held by the school board for that purpose. The plan must describe the overall vision for students, annual goals including language acquisition, and specific action to achieve these goals. The LCAP must focus on eight areas identified as State priorities. The plan will demonstrate how the district's budget will help achieve the goals, and annually assess how well the strategies improved outcomes. Complaints regarding LCAP may be filed anonymously. [EC 305, 52060, 52062, 52066]

Homeless, Foster, and Juvenile Court Youth

Foster, homeless, and juvenile court youth have special rights related to graduation and partial high school credits. They also have the right to an adult to help make educational decisions. More information can be found at the California Foster Youth Education Task Force, www.cde.ca.gov/ls/pf/fy/fosteryouthedrights.asp.

Foster and homeless youth also have special rights associated with college, and certain considerations in school discipline. The District Uniform Complaint Procedure may be used to file a complaint. [EC 48645.3, 48645.5, 51225.1, 56055; 5 CCR 4622; WIC 361, 726]

District language learning programs offered include:
Dual Language Immersion — classrooms composed of English speakers and foreign language students
Structured English Immersion — nearly all classroom instruction is in English. [EC 306, 310(b)(2)]

● Homework

The following are the Hollister School District Board of Education policies regarding homework and makeup work. Please refer to your school Principal and/or classroom teacher for specific homework and makeup work procedures.

The Governing Board recognizes that homework contributes toward building responsibility, self-discipline and life-long learning habits, and that time spent on homework directly influences students' ability to meet the district's academic standards. The Board expects students, parents/guardians and staff to view homework as a routine and important part of students' daily lives.

Although it is the students' responsibility to do most homework assignments independently, the Board expects teachers at all grade levels to use parents/guardians as a contributing resource. When students repeatedly fail to do their homework, parents/guardians shall be notified and asked to contact the teacher. [BP 6154(a)]

Makeup Work

Students who miss school work because of an excused absence shall be given the opportunity to complete all assignments and tests that can be reasonably provided. As determined by the teacher, the assignments and tests shall be reasonably equivalent to, but not necessarily identical to, the assignments and tests missed during the absence. Students shall receive full credit for work satisfactorily completed within a reasonable period of time. [EC 48205]

Students who miss school work because of unexcused absences may be given the opportunity to make up missed work for full or reduced credit. Teachers shall assign such makeup work as necessary to ensure academic progress, not as a punitive measure. [BP 6154(a)]

● Curriculum and Personal Beliefs

Whenever any part of the instruction in health or family life education conflicts with your religious training and beliefs or personal moral conviction, or those of your child, your child shall be excused from such instruction if you request an excuse in writing. [EC 51240]

Family Life, Human Development, and Sexual Health Education

Your child will be taking classes in compliance with the California Healthy Youth Act. These will include instruction in comprehensive sexual health education, HIV prevention education, and research findings regarding pupil health behaviors and risks. Any written and audio-visual educational materials planned for use are available for inspection prior to the start of classes. You may have copies of non-copyrighted material that will be presented by a consultant or guest speaker for ten cents (10¢) per page. You will be notified before such instruction, and have a right to request, in writing, that your child not participate in any or all activities. You may withdraw this request at any time. School districts must ensure that all participating pupils receive sexual health instruction from personnel adequately trained in appropriate courses. At the discretion of the District, staff (teachers) give such instruction. If taught by a consultant or guest speaker, or in an assembly, parents will receive notice of the dates, name of organizations, and affiliation of speakers by mail or other commonly used method of notification at least 14 days prior to the dates of the class or assembly. During this class, students in grades 7 - 12 may be asked to anonymously, voluntarily, and confidentially fill out evaluation and research tools such as surveys, tests, or questionnaires measuring student attitudes toward health, sex, and risk behaviors. Copies of Education Code Sections 51933, 51934, and 51938 can be requested from the District or can be obtained online at www.leginfo.ca.gov. [EC 51933, 51934, 51937-51939]

Dissection of Animals

If your child chooses not to participate in the dissection of animals, and if the teacher believes that an adequate alternative education project is possible, the teacher may work with the student to develop and agree upon an alternative education project for the purpose of providing your child an alternate avenue for obtaining the information required by the class. The school will need a signed note from you indicating your child's objection. [EC 32255]

Tests/Surveys on Personal Beliefs

You and/or your children over 18 will be notified and will be asked for written permission before your child is given any test, questionnaire, survey, examination, or marketing material containing questions about your child's, or his/her parents' or guardians' personal beliefs or practices in politics, mental health, anti-social, illegal, self-incriminating, or demeaning behavior, critical appraisals of others close to the family, about legally confidential relationships such as ministers or doctors, income (unless to determine eligibility in a program or for receiving assistance), sex, family life, morality, or religion. Parents may also opt out of their child supplying information to be

used for marketing. Parents have the right to review any survey or educational materials related to the survey on any of the above items. The District has developed policies relating to the surveys and personal information. Notice will be sent to parents prior to any such test or survey. If you believe your rights have been violated, you may file a complaint with the Family Policy Compliance Office at U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-5920. [EC 51513, 60614, 60615; PPRa; 34 CFR 98; ESEA]

SCHOOL RECORDS AND STUDENT ACHIEVEMENT

● Pupil Records

You and your children over 18 have the right to review, get copies, and inspect their school records within five business days of a written or oral request or before any meeting regarding an individualized education program or a hearing. Those records are confidential, and privacy will be maintained, except in some instances such as when your child transfers to another school. In some instances information about your child may be released to District staff, foster agencies, after school program operators, summer camp operators, lawyers, law enforcement, state researchers, and nonprofit researchers. Sharing of pupil records must conform to federal laws and in some cases must be approved by the State Committee for Protection of Human Subjects. Sharing of pupil records must conform to federal laws and in some cases must be approved by the State Committee for Protection of Human Subjects. The records include transcripts, discipline letters, commendations, attendance, and health information. The records are maintained at the District office by the Data Department. There is someone to help interpret the material. When more than one child is named in the records, parents may only see material related to their child. If requested, the district will provide a list of types and locations where materials are held. There is a log of who has viewed the records that is kept at the same location as the records. District policy or administrative regulation 5125 sets forth the criteria by which school officials and employees can look and change or delete the files and why. Files may be reviewed to identify students eligible for public school choice or supplemental educational services. You may have copies made for twenty-five cents (25¢) per page. The District may use a contractor for tracking and/or copying student records. If you cannot afford the cost of copies they will be provided free of charge. You also have the right to file a written request with the superintendent challenging the records. You can challenge how your request was handled with the district or with United States Department of Education if you think there is an inaccuracy, unsubstantiated conclusion or inference, a conclusion outside the observer's expertise, comment not

based on personal observation with time and date noted, misleading information, or violation of privacy rights. You will get to meet with the superintendent or designee within 30 days. If your challenge is sustained, the changes will be made. If not, you can appeal to the school board, which has final authority. If you still have a different view, your view can be included in the student's record. [EC 8484.1, 49063, 49060, 49068, 49069, 49069.3, 49070-49079.7, 51101, 56043, 56504; CC 1798.24(t); FERPA; 20 USC 1232(g); 34 CFR 99]

Student Data from Social Media Websites

School Districts may now adopt a plan to gather student information from social media websites. The Governing Board has not adopted such a plan, but may consider it in the future. The information would pertain only to student or school safety, and must be destroyed within one year of the student leaving the District or turning 18. [EC 49073.6]

Regulations Regarding Pupil Achievement

The Board of Education believes good communication between parents and teachers is important in the educational process. All appropriate forms of communication should be used. The progress report should reflect student progress in classwork and proficiency levels and indicate educational growth in relation to the student's ability, citizenship and effort. [EC 49067]

Teacher Qualifications

A provision of federal Title I requires all districts to notify parents of children in Title I schools that they have the right to request and receive timely information on the professional qualifications of classroom teachers and paraprofessionals including state qualifications, licensing for the grade level or subject taught, any waivers for qualifications, emergency provisions, college major, graduate degrees and subject, and if paraprofessionals or aides are in the classroom and what their qualifications are. [ESEA; 20 USC 6311; 34 CFR 200.61]

Release of Directory Information

The law allows schools to release "directory information" to certain persons or organizations including military recruiters. Directory information may include a student's name, address, telephone information, electronic mail address, date of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous public or private school attended by the student. You may have the district withhold any of this information by submitting a request in writing by the beginning of the school year. Written notification received after the date specified will be honored, but the student's information may have been released in the interim. In the case of students with exceptional needs or who are

homeless, no material can be released without parent or guardian consent. [EC 49061(c), 49070, 49073(c), 56515; FERPA; No Child Left Behind Act (NCLB)]

School Safety Plan

Every year, each school shall review and update its plan by March 1. Each school shall make its plan public and shall share the plan with numerous community leaders, school site personnel, and parent groups. Plans should, among other things, provide guidance for the response to and/or the prevention of bullying, child abuse, and disasters. Key elements are to be described in the School Accountability Report Card. Planned responses to criminal incidents need not be disclosed. The Uniform Complaint Procedure can be used regarding School Safety Plan compliance. [EC 32281, 32282.1, 32286, 32288, 32289, 51101]

STUDENT SERVICES

Student Meal Program

Your child may be eligible for free or reduced cost meals. [EC 49510 – 49520]

A meal application will be sent home the first day of school. If you feel you may qualify, please fill it out immediately and return to your school. Program rules mandate that all meals received at school be consumed on campus and may not be taken home. Children who go home for lunch must have a signed lunch permit. These are available upon request from your school office.

Meal Prices:

Paid Breakfast	\$1.00	Paid Lunch	\$2.50
Adult Breakfast	\$2.25	Adult Lunch	\$3.50

Meal Payment Policy

Students are responsible for paying for their meals before classes begin. If a student does not have money to pay for their meal, he/she will be asked to call a parent or guardian for either money for the meal or a sack lunch from home. Students may only charge up to 3 meals.

School Meal Applications

If your student was eligible for free or reduced price meals last school year, the law requires that a new meal application be submitted before October 3, in order to continue federal meal benefits. As of October 4, any students who have not submitted a new school meals application for this year will be dropped from the program. Any applications submitted for student after the October 3 deadline will have a waiting period of up to 10 working days for processing by the Student Nutrition Office. If a student was not free or reduced last year, they must pay for meals while the application is being processed. Only one application is needed for all students in the family.

Field Trips

Sack lunches are available to your students for field trips. Please notify your child's teacher at least 6 days before the field trip. The Student Nutrition Program will then be informed of your request for a sack lunch before the day of the field trip.

Student Use of Technology

The Governing Board intends that technological resources provided by the district be used in a safe and responsible manner in support of the instructional program and for the advancement of student learning. All students using these resources shall receive instruction in their proper and appropriate use.

Teachers, administrators, and/or library media specialists are expected to review the technological resources and online sites that will be used in the classroom or assigned to students in order to ensure that they are appropriate for the intended purpose and the age of the students.

The Superintendent or designee shall notify students and parents/guardians about authorized uses of district technology, user obligations and responsibilities, and consequences for unauthorized use and/or unlawful activities in accordance with Board policy and the district's Acceptable Use Agreement.

District technology includes, but is not limited to, computers, the district's computer network including servers and wireless computer networking technology (wi-fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through district-owned or personally owned equipment or devices.

Before a student is authorized to use the district technological resources, the student and his/her parent/guardian shall sign and return the Acceptable Use Agreement. In that agreement, the parent/guardian shall agree not to hold the district or any district staff responsible for the failure of any technology protection measures or user mistakes or negligence and shall agree to indemnify and hold harmless the district and district staff for any damages or costs incurred.

Whenever a student is found to have violated Board policy or the district's Acceptable Use Agreement, the principal or designee may cancel or limit a student's user privileges or increase supervision of the student's use of the district's equipment and other technological resources, as appropriate. Inappropriate use also may result in disciplinary action and/or legal action in accordance with law and Board policy.

The Superintendent or designee, with input from students and appropriate staff, shall regularly review and procedures to enhance the safety and security of students using the district technology and to help ensure that the district adapts to changing technologies and circumstances.

Internet Safety

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that protects against access to visual depictions that are obscene, child pornography, or harmful to minors and that the operation of such measures is enforced.

To reinforce these measures, the Superintendent or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter on the Internet and to ensure that students do not engage in unauthorized or unlawful online activities.

Harmful matter includes matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest and is matter which depicts or describes, in a patently offensive way, sexual conduct and which lacks serious literary, artistic, political, or scientific value for minors.

The district's Acceptable Use Agreement shall establish expectations for appropriate student conduct when using the Internet or other forms of electronic communication, including, but not limited to, prohibitions against:

1. Accessing, posting, submitting, publishing, or displaying harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs
2. Intentionally uploading, downloading, or creating computer viruses and/or maliciously attempting to harm or destroy district equipment or materials or manipulate the data of any other user, including so-called "hacking"
3. Distributing personal identification information, including the name, address, telephone number, Social Security number, or other personally identifiable information, of another student, staff member, or other person with the intent to threaten, intimidate, harass, or ridicule that person

The Superintendent or designee shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, the dangers of posting one's own personal identification information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying. It contains information about the district and school regarding the quality of programs and its progress toward achieving stated goals. A copy will be provided upon request. [EC 33126, 32286, 35256, 35258, 51101]

● **Services to Disabled Pupils**

If you have reason to believe your child (ages 0 through 21 years) has a disability requiring special services or accommodations, tell or write the school. Your child will be evaluated to determine whether he/she is eligible for free special or modified instruction or services.

The District wants to locate, identify and assess all children with disabilities whether homeless, wards of the state, enrolled in public or private schools. Students identified with special needs will receive a Free Appropriate Public Education in the least restrictive environment. [EC 48853, 56020 et seq., 56040, 56301; 5 CCR 4622; 20 USC 1412, (10)(A)(ii), 1412(a)(6)(A); 34 CFR 300.121]

Special Education Programs

Hollister School District Special Education Programs serve students with disabilities from birth through grade eight, under the provisions of state and federal law. All students eligible for special education services are provided with Individualized Education Plans (IEP's) that are developed by a team that includes parents, special education specialists, and regular education staff members.

Hollister School District Special Education Programs strive to:

- Fulfill the requirements of all national, state, and local laws, regulations and policies related to identifying and serving students with disabilities
- Help students with disabilities meet high standards in the development of their academic and non-academic skills
- Collaborate with families of students with disabilities, as well as with other agencies providing services to students and their families
- Collaborate with the regular education teachers of students with disabilities
- Support the Student Study Team process for regular education students, in order to help develop effective accommodations for students' unique learning styles

● **Pupil Fees**

While there are limited exceptions, families and students should not have to pay fees for most items related

to public education. There are four types of fees identified in Education Code:

Pupil Fees: No fees or deposits can be required or collected for items including, but not limited to, materials, supplies, equipment, uniforms (i.e. band, cheerleading, basketball), lockers, locks, books, class apparatus, musical instruments.

Educational Activity Fees: No fees can be required or collected for student participation in an event or activity, either curricular or extracurricular, that is an essential part of a student's education or for transportation to those events. There can be no fees required for registering or participating in regular or extra classes.

Voluntary Donations: While voluntary donations may be suggested for activities, no student may be denied participation based on the family's ability to make a donation.

Exceptions – When fees may be required: By law, there are exceptions to the prohibition against charging of fees or deposits. These exceptions include, but are not limited to, transportation to non-essential activities, non-essential events where attendance is optional (such as a school dance), food served to students, damage to district provided materials such as textbooks, cost of community service classes, and fingerprinting. Money may also be collected for material used for projects that a student will be taking home, such as, material used in a career class like as woodshop or sewing. The Uniform Complaint Procedure can be used regarding pupil fee compliance. A complaint may be filed with the school principal, and may be filed anonymously.

HEALTH SERVICES

● **Immunizations**

A pupil may not be admitted to a classroom setting in school unless he/she has been fully immunized against diphtheria, hepatitis b, haemophilus influenza type b, measles, mumps, pertussis (whooping cough), poliomyelitis, rubella, tetanus, and varicella (chickenpox). Students must be immunized for varicella or provide proof from a doctor stating child has had the disease. All advancing students, new students, or transferring students in grades 7 through 12 must be fully immunized, including a required booster against pertussis (Tdap). They shall not be admitted without the Tdap booster.

It is this district's policy that there be no "conditional" admittance to schools. Documented proof that immunizations are up-to-date is required before admission

to school is granted. This requirement does not apply in at least the following instances:

- If note from physician is supplied saying physical or medical condition does not allow vaccination.
- If a homeless or foster child is enrolling.

The required immunizations are available through a usual source of medical care, County Health Department, a school nurse, or may be administered by a health care practitioner acting under the direction of a physician. Immunizations may be given at school. There may be funds for those who cannot access services.

If an outbreak of a communicable disease occurs at a school, the non-immunized student will be excluded for his/her own safety until such a time as directed by health officials or district administration.

Parents or guardians may refuse to allow the sharing of personal information related to their child's immunization records by notifying the County Health Department listed in this section. [HSC 120325, 120335, 120338, 120370, 120375, 120400, 120405, 120410, 120415, 120480; EC 48216, 49403, 48852.7, 48853.5; 17 CCR 6000-6075; 42 USC 11432(C)(i)]

● Physical Examinations

For each child enrolling in the District for the first time in kindergarten or first grade, the parent or guardian must present a certificate, signed by a physician, verifying that the child has received a physical examination within the last 18 months. If your child does not receive this exam, you must file a waiver with the school district stating the reasons you are unable to obtain such services. You may have your child immunized at the same time that the physical examination is conducted. [EC 49450; HSC 124085, 124100, 124105]

These services may be available to you at no cost through the Child Health and Disability Prevention Program (CHDP). For information, you may contact:

If you want your child to be exempt from physical examinations at school, file a written statement annually with the school refusing such an exam. However, when there is a good reason to believe that your child is suffering from a recognized contagious or infectious disease, he/she may be sent home and shall not be permitted to return to school until the contagious or infectious disease does not exist. [EC 49451; PPRA]

● Kindergarten and/or First Grade Oral Health Assessment

Many things impact a child's school progress and success, including health. Children must be healthy to learn, and children with cavities are not healthy. Baby teeth are not just teeth that will fall out. Children need their teeth to eat properly, talk, smile, and feel good about themselves. Children with cavities may have difficulty eating, stop smiling, and have problems paying attention and learning at school.

Parents or guardians must have their child's oral health assessed by May 31 of the student's first school year (kindergarten or first grade). Assessments within the 12 months before the child enters school also meet this requirement. The assessment must be done by a licensed dentist or licensed or registered dental health professional. [EC 49452.8]

● Vision, Hearing, and Scoliosis Screening

An authorized person will check your child's vision upon enrollment (unless the student enters the District in grade 4 or 7) and in grades 2, 5, and 8. Hearing tests will be conducted when your child is enrolled or first enters a District school. Between grades 6 and 8, your child may be screened for scoliosis (curvature of the spine). These tests will/may be administered unless you annually present to the school a certificate from a physician or optometrist verifying prior testing, or submit a letter denying consent. [EC 44878, 49451, 49452, 49452.5, 49455]

● Height and Weight Screening

Your child may have his/her height and weight checked by an authorized person between grades kindergarten and 8. BMI (body mass index) will be calculated following this screening. You may submit a written statement of objection to the district if you do not want this screening done. All students whose parent filed an objection will be referred for a medical exam.

● Medication

Children may take medication, which is prescribed by a physician, and get help from school personnel during the school day if:

1. The district designee has received a written statement from the physician detailing the medication name, method, amount, and time schedules by which the medication is to be taken. All medication must be in the original pharmacy container labeled for your student.
2. Parent, guardian, or caregiver annually submits a written statement asking the school district to assist their child in taking the medication or allow the student to self-administer certain medications. This includes allowing a school staff member to volunteer to identify the need for, and administer glucagon, epinephrine, and epilepsy seizure medication to a student. The letter gives permission to a district

representative to communicate with the health care provider, pharmacist and acknowledge understanding of how the medication will be administered. Each school determines if it will have staff trained in the use and storage of auto-injectable epinephrine. The District will have a supply of epi-pens at each school site. [EC 49414(d), 49414.7, 49423, 49480]

Children may carry and self-administer a blood glucose level test, diabetes care, inhaled asthma medication, and auto-injectable epinephrine if the rules above are met and if a physician confirms in writing that the student is able to self-administer. [EC 49414, 49414.5, 49423, 49423.1, 49480]

If your child is on a continuing medication regimen for a non-episodic condition, you are required to notify the district designee of the medication being taken, the current dosage, and the name of the supervising physician. [EC 49480]

☀️ **Sun Protection**

Students when outdoors can wear sun protective clothing, including, but not limited to hats. [EC 35183.5] Students may also apply sunscreen during the day without a doctor's note or prescription. [EC 35291, 35294.6]

🏥 **Medical and Hospital Insurance for Students**

The district DOES NOT provide insurance on individual students. However, you may purchase accident insurance through the district for medical and hospital services covering your child. The insurance provides coverage for your child while on school grounds or in school buildings during the time your child is required to be there because of attendance during a regular school day of the district; or while being transported by the district to and from school or other place of instruction; or while at any other place as an incident to school-sponsored activities. The school district assumes no liability for accidents to pupils at school. [EC 32221.5, 49472]

Under state law, school districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. This insurance requirement can be met by the school district offering insurance or other health benefits that cover medical and hospital expenses. Some pupils may qualify to enroll in no-cost or low-cost local, state, or federally sponsored health insurance programs. [EC 49471]

Enrollment in a Health Care Plan

All children enrolling in kindergarten, first grade, or transferring into the district and their families must be enrolled in a health care plan. There are several options for getting a health plan; through an insurance agent, or low cost provider such as Medi-Cal and Covered California at (800) 300-1506 or online at www.coveredca.com. [EC 49452.9; PPACA]

School-Sponsored Athletics

If student participates in school-sponsored athletics other than regular physical education or an athletic event during the school day, parents/guardians and the student athlete are required to; (1) complete a concussion awareness form annually, and (2) sign an acknowledgement that CIF cardiac arrest information posted on the California Department of Education website was read. If a student participates in an athletic activity governed by the CIF, the school shall collect and retain a copy of the sudden cardiac arrest information sheet. [EC 33479, 49475]

🚫 **Drug, Alcohol, Tobacco, and Steroid Use Prevention**

The unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs, alcohol, or any form of tobacco product on District premises or as a part of any District activity is strictly prohibited. Beginning in January 2017, "tobacco product" is defined as (i) any product made or derived from tobacco or nicotine that is intended for human consumption, regardless of how consumed; (ii) an electronic device that delivers nicotine or other vaporized liquids to the person inhaling from the device (commonly known as "e-cigarettes"); or (iii) any component, part or accessory of a tobacco product. Except for members of the military, possession of tobacco by those under 21 is illegal and can lead to a \$75 fine or 30 hours of community service. It is illegal to possess synthetic marijuana. School districts may adopt no smoking policies. The District has adopted a policy banning electronic-cigarettes (e-cigarettes) and other vapor delivery devices. [EC 48900, 48901; HSC 11357.5, 11375.5; BPC 22950.5(c); PC 308]

Synthetic Marijuana (Cannabis)

Every person who sells, dispenses, distributes, furnishes, administers, gives; or offers to sell, dispense, distribute, furnish, administer, or give; or possesses for sale any synthetic cannabinoid compound, or any synthetic cannabinoid derivative, to any person, is guilty of a misdemeanor, punishable by imprisonment in a county jail not exceeding six months, or by a fine not exceeding one thousand dollars (\$1,000), or by both that fine and imprisonment. [HSC 11357.5, 11375.5]

🦷 **Fluoride Treatments**

Children are eligible for fluoride treatments through a program organized by the county health officer. Parents will get a record that the treatment was applied. The county health officer will determine how to pay for the program. Parents or a student 18 years old or more have the right to refuse this program. This program is not meant to replace regular professional dental care. [Health and Safety Code 104855]

● Confidential Medical Services

School authorities may excuse any student in grades 7 through 12 from school for the purpose of obtaining confidential medical services without the consent of the pupil's parent or guardian. [EC 46010.1]

● Safe Place to Learn

It is State and District policy to improve student safety, connections between students and supportive adults, and connections between schools and communities. These policies prohibit discrimination, harassment, intimidation, and bullying at all school sites and school activities based on actual or perceived characteristics: race, color, ancestry, nationality, national origin, ethnicity, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or association with a person or group with one or more of these actual or perceived characteristics at any school sponsored activity. School site staff trained in anti-bias shall be made known. When safe to do so, District employees must intervene immediately when they see discrimination, harassment, intimidation or bullying. ● Bus Transportation Policy

Bus transportation is a privilege extended only to students who display good conduct while preparing to ride, riding or leaving the bus. Continued disorderly conduct or persistent refusal to submit to the authority of the driver shall be sufficient reason for a student to be denied transportation. All school rules in the student's handbook apply to the bus; the bus is an extension of the classroom. Eligible bus riders must submit a transportation application to the transportation department in order to ride the bus.

Because school bus passengers' behavior can directly affect their safety and the safety of others, the following regulations apply at all times when students are riding a school bus, including school activity trips.

1. Riders shall follow the instructions and directions of the bus driver at all times.
2. Riders should arrive at the bus stop on time and stand in a safe place to wait quietly for the bus. Children are to ride only the bus which they are assigned. Temporary changes for either pick-up or delivery will not be permitted.
3. Riders shall enter the bus in an orderly manner and go directly to their seats. Children will not be allowed to be removed from their bus once they have entered the bus without a signed note from the school authorizing the driver to release the child.
4. Riders shall remain seated while the bus is in motion and shall not obstruct the aisle with their legs, feet, or other objects. When reaching their destination, riders shall remain seated until the bus stops and only then enter the aisle and go directly to the exit.
5. Riders should be courteous to the driver and to fellow passengers.
6. Because serious safety hazards can result from noise or behavior that distracts the driver, loud talking, laughing, yelling, singing, whistling, scuffling, throwing objects, smoking, eating, drinking, standing and changing seats are prohibited actions which may lead to suspension of riding privileges.
7. No part of the body, hands, arms or head should be put out of the window. Nothing should be thrown from the bus.
8. Riders shall help keep the bus and the area around the bus stop clean. Riders shall not damage or deface the bus or tamper with the bus equipment.
9. No animals, school projects, fundraisers or large items shall be allowed on the bus.
10. Riders should be alert for traffic when leaving the bus and continue directly to their home.

Riders who fail to comply with the above rules shall be reported to the school principal, who shall determine the severity of the misconduct and take action accordingly. In all instances of misconduct, the rider and his/her parent/guardian shall be given notice and warning. In the case of a severe violation or repeated offenses, the rider may be denied transportation for a period of time determined by the principal or transportation supervisor, up to the remainder of the school year. Video cameras may be used on school buses to monitor student behavior while traveling to and from school and school activities. Video recordings may be used in student discipline.

Penalties, as listed below, will be used as guidelines for infractions of established rules. In the case of dangerous or severe misbehavior, any penalty may be applied as appropriate, which can result in immediate bus riding suspension.

- 1st Citation – Alert to Bus Misbehavior
- 2nd Citation – Possible Bus Riding Suspension
- 3rd Citation – 3-Day Bus Riding Suspension
- 4th Citation – 2 Wk Bus Riding Suspension
- 5th Citation – Year Bus Riding Suspension (maximum penalty)

Pupils transported in a school bus will be under the authority of, and responsible directly to, the driver of the bus. The driver will be held responsible for the orderly conduct of the pupils while they are on the bus or being escorted across a street, highway or road. Continued disorderly conduct or persistent refusal to submit to the authority of the driver will be sufficient reason for a pupil to be denied transportation. A bus driver will not require any pupil to leave the bus enroute between home and school or other destinations. [5 CCR 14263]

Please review these rules with your child(ren) on a regular basis. All buses routes/times are subject to change. Students should arrive at least 5 minutes before their scheduled pick-up time. Thank you for your cooperation in providing a safe environment for your student.

📱 **Cellphones, Pagers, Electronic Signaling Devices**

Districts may regulate the possession or use of any cellphone, pager or electronic signaling device while pupils are on campus, while attending school-sponsored activities, or while under the supervision and control of school district employees. Use is allowed if essential to student’s health as determined by a licensed physician or surgeon. [EC 48901.5]

👮 **Megan’s Law**

The Sheriff’s Department is obligated to notify the community about sex offenders who may be local residents. Anyone seeking information about registered sex offenders may access information from a computer located at the Sheriff Department or online at www.meganslaw.ca.gov. [PC 290.4]

PROTECTIONS, COMPLAINTS AND PROCEDURES

All pupils have the right to participate fully in the educational process, free from discrimination and harassment. Schools have an obligation to combat racism, sexism, and other forms of bias, and a responsibility to provide equal educational opportunity and ensure safe school sites.

The District is primarily responsible for compliance with local, state and federal laws and regulations and has procedures to address allegations of unlawful discrimination, harassment, intimidation, or bullying against any protected individual or group including actual or perceived sex, sexual orientation, gender, gender identity, gender expression, ethnic group identification, race or ethnicity, ancestry, national origin, nationality,

religion, mental or physical disability, age, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics in any district program, or activity that receives or benefits from local, state and federal financial assistance.

● Nondiscrimination/Harassment

The Governing Board desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic, extracurricular and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at of any student by anyone, based on the student's actual or perceived race, color, ancestry, national origin, nationality, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression or association with a person or group with one or more of these actual or perceived characteristics.

This policy shall apply to all acts related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also includes the creation of a hostile environment through prohibited conduct that is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who reports or participates in the filing of a complaint or investigates, participates in the investigation of a complaint or report alleging discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint

procedures to students, parents/guardians, and employees. He/she shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. He/she shall report his/her findings and recommendations to the Board after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, to enable the district to monitor, address, and prevent repetitive prohibited behavior in district schools. [BP 5145.3 March 2017; EC 200-262.4, 48900.3, 48900.4, 48904, 48907, 48950, 48985, 49020-49023, 51500, 60044; CC 1714.1; PC 422.55, 422.6; 5 CCR 432, 4600-4687, 4900-4965; 20 USC 1681-1688, 12101-12213; § 504; Title VI; Title VII; Title IX; 42 USC 6101-6107; 24 CFR 35.107; 34 CFR 99.31, 100.3, 104.7, 106.8, 106.9]

Sexual Harassment

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted of any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages any student who feels that he/she is being or has been sexually harassed

on school grounds or at a school-sponsored or school-related activity by another student or an adult who has experienced off-campus sexual harassment that has a continuing effect on campus to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer. Once notified, the principal or compliance officer shall take the steps to investigate and address the allegation, as specified in the accompanying administrative regulation.

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy.

Instruction/Information

5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are

taken, they shall not disadvantage the complainant or victim of the alleged harassment

Complaint Process and Disciplinary Actions

Sexual harassment complaints by and against students shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 - Uniform Complaint Procedures. Principals are responsible for notifying students and parents/guardians that complaints of sexual harassment can be filed under AR 1312.3 and where to obtain a copy of the procedures.

Upon investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

District's Uniform Complaint Process

You may contact your school's office or the District office to obtain a free copy of the district's complaint procedures. The complaint procedure can be used for a variety of issues not mentioned above including but not limited to employee issues and policies and procedures of the district. Confidentiality and privacy shall be respected in all complaint investigations. Complaints alleging discrimination may be filed by a person on their own behalf or on behalf of another person or group of people within six months of the occurrence or when facts became known. Complaints regarding a special needs student or pupil fees may be filed within 12 months of the occurrence. Complaints regarding LCAP may be filed anonymously. Complaints regarding Pupil Fees may be filed anonymously and with the principal. If a complaint regarding LCAP or pupil fees is valid, then the parents are due full reimbursement. Staff has been trained to deal with these types of complaints.

Those complaining (Complainants) are protected from retaliation and their identities are confidential when related to discrimination. Staff dealing with complaints are knowledgeable about the laws and programs they are investigating. The complaint may be dismissed if complainant obstructs or does not provide all information. If the District acts in the same manner, the finding may be affected.

1. Complaints made under this procedure shall be directed to the Uniform Complaint Officer who is responsible for processing the claims. A complaint under the Uniform Complaint Procedure should be completed within 60 days from the receipt of the complaint. The Superintendent and complainant may agree in writing to extend the timeline.
2. You may contact the UCP Officer to obtain a copy of the complaint process.
3. You may choose to have your complaint mediated.
4. There shall be an investigative meeting after receiving the complaint.
5. The compliance officer shall send a written report about the investigation and decision. There are then five days to appeal to the Board of Education.
6. If you are not satisfied with the results the complainant then has 15 days to appeal to the California Department of Education. The appeal must include a copy of the locally filed complaint and a copy of the LEA decision.
7. There is nothing in this process to preclude a complainant from pursuing available civil law remedies outside of the district's complaint procedures. Such remedies may include mediation, attorneys, and legal remedies. Civil law remedies may include, but are not limited to: injunctions and restraining orders.

For discrimination complaints, 60 days must elapse from the time an appeal is filed with CDE before pursuing civil remedies except for an injunction. Complaints may also be forwarded to appropriate state or federal agencies in the following cases:

American Civil Liberties Act 504 – Office of Civil Rights

Child Abuse – Department of Social Services, Protective Services Division, or law enforcement

Discrimination/Nutritional Services – U.S. Secretary of Agriculture

Employment Discrimination – Department of Fair Employment and Housing, Equal Employment Opportunity Commission.

and the environment, to use environmental resources in a responsible way, and to educate students and staff about environmental issues.

The Superintendent or designee shall establish regulations to guard against environmental hazards. Students and staff are encouraged to report any unsafe conditions they may observe. [BP 3514]

The Superintendent or designee shall develop, implement and monitor a written hazard communication program in accordance with state law. As part of this program, he/she shall ensure that employees are fully informed about the properties and potential hazards of substances to which they may be exposed and that material safety data sheets are readily accessible to them. Teachers shall instruct students about the importance of proper handling, storage, disposal and protection when using any potentially hazardous substance.

Management Plan for Asbestos-Containing Material

The district has available upon request a complete and updated management plan for asbestos-containing material. [40 CFR 763.93]

The District is providing parents the name of all pesticide products expected to be applied at school facilities this school year. The identification includes the name and active ingredients. Only fully certified pesticides can be used on school grounds. The school’s Integrated Pest Management Plan (IPM) is updated by June 1 each year. The IPM, pesticide names and active ingredients, and application dates are posted on the school and/or district website at www.hesd.org.

Parents and guardians may register with the school or district if they wish to receive notification of pesticide applications at a particular school or facility. Notice of an application and written notice of unlisted pesticide use will be given 72 hours in advance. For an emergency application, 72 hours notice will be the goal. Each area of the school where pesticide is being used will be identified by a posted warning 24 hours before (or upon application, if an emergency) through 72 hours after use. Further
